Remortgage of a leasehold residential property

In the event that you are remortgaging a leasehold property, additional disbursements will usually be payable. There are certain disbursements which will be set out in the individual lease relating to the property. The disbursements which we anticipate will apply are set out separately below. This list is not exhaustive and other disbursements may apply depending on the term of the lease. We will update you on the specific fees upon receipt and review of the lease.

Anticipated Disbursements

-  Notice of Charge fee (if the property is to be mortgaged) – This fee is set out in the lease. Often the fee is between £50.00 -£150.00 (plus vat at 20%).
-  Certificate of Compliance fee - To be confirmed upon receipt of the lease, as can range between £50.00 - £150.00 (plus vat at 20%).

These fees vary from property to property and can on occasion be significantly more than the ranges given above. We can give you an accurate figure once we have sight of your specific documents.

We can give you an accurate figure once we have made enquiries with your Freeholder/Management Company.

** Our fee assumes that:*

- a. this is a standard transaction and that no unforeseen matters arise including for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction*
- b. in relation to a leasehold property, it is the assignment of an existing lease and is not the grant of a new lease*
- c. the transaction is concluded in a timely manner and no unforeseen complication arise*
- d. all parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation*
- e. no indemnity policies are required. Additional disbursements may apply if indemnity policies are required.*
- f. any mortgage lender that you use does not have any unusual or onerous requirements (and you are using one mortgage lender only with one mortgage offer).*

How long will my remortgage take?

How long it will take to complete will depend on a number of factors. This might depend on how long it takes for the Mortgage Offer to be issued by your mortgage lender, what requirements and conditions are contained within the Mortgage Offer, and if it is necessary to report certain matters to your mortgage lender, how quickly it takes your mortgage lender to respond.

The average process typically takes between 5-8 weeks from receipt of Mortgage Offer or formal instructions to act.

If the transaction is not straight forward, for example if you are remortgaging an unregistered title or a leasehold property, this can increase the typical timescale for completion.

Stages of the process

The precise stages involved in the remortgage of a residential property vary according to the circumstances. Please see below the typical stages.

-  Take your instructions and issue to you our client care pack
-  Obtain and consider your title from HM Land Registry to determine what information needs to be disclosed
-  Consider the Mortgage Offer once received and report to you on the mortgage terms
-  Consider your mortgage lender's instructions and report to your mortgage lender, where necessary
-  Ask your mortgage lender how much is required to redeem an existing mortgage, if necessary
-  Arrange for signature by you of your mortgage lender's Mortgage Deed
-  Obtain any additional money from you to complete to pay legal costs and disbursements, where necessary
-  Draw down the mortgage advance from your mortgage lender, where applicable
-  Complete remortgage and notify you that this has happened
-  Redeem your existing mortgage, if applicable
-  Send you the balance of the remortgage funds (if any) and a final completion statement
-  Register the mortgage lender's charge at the Land Registry and issue to you and your mortgage lender the updated title documents once received
